An Open Meeting is being held to give you a chance to speak to your local councillors.

Whether you wish to discuss particular issues, or simply find out more about what your local council does, everyone is welcome to attend.

As an idea, some matters previously raised include:

- ◇ Traffic through Lelant
- ◇ Speeding
- ◇ Allotments
- ◇ Parking by the Church
- ◇ Dynamite Quay parking and footpath
- ◇ Planning and development

Whether you want to speak or find out more about these or any other matters, we want to hear your views.
